§ 8.1 Purpose.

The purpose of this part is to effectuate the provisions of title VI of the

Civil Rights Act of 1964 (hereafter referred to as the “Act”) to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program receiving Federal financial assistance from the Department of Commerce. This part is consistent with achievement of the objectives of the statutes authorizing the financial assistance given by the Department of Commerce as provided in section 602 of the Act.

§ 8.2 Application of this part.

(a) This part applies to any program for which Federal financial assistance is authorized under a law administered by the Department, including the types of Federal financial assistance listed in Appendix A to this part and as said Appendix may be amended. It applies to money paid, property transferred, or other Federal financial assistance extended after January 9, 1965, pursuant to an application approved prior to such effective date.
